RE: **2008-62 MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services**
filed 6/12/08, effective 4/24/08 (introduces Toll Free 8YY Traffic Service)
Docket No. 2008-212-C

Dear Mr. Terreni:

On May 21, 2008, AT&T petitioned for, among other things, an investigation of Verizon's April 21, 2008 tariff filing. The Commission issued its Directive in this matter on May 28, 2008 (Order No. 2008-423 dated June 17, 2008) requesting ORS to investigate the Verizon tariff filing. On June 12, 2008, Verizon filed tariff revisions with the Commission. Thereafter, AT&T's July 2, 2008 letter filed with the Commission states that negotiations between the companies were successful and that the revised tariff filing of June 12, 2008 incorporated changes that resolved any concerns raised in AT&T's petition. Therefore, it is my understanding, that an investigation of the initial tariff is no longer necessary. However, please advise if an investigation is still necessary pursuant to Order No. 2008-423. If so, we request an additional 30 days to report on an investigation.

ORS has no objections to the revised tariff as filed by Verizon on June 12, 2008.

Thank you for your consideration in this matter.

Sincerely,

C. Lessie Hammonds
